## Are you going to the 16th Annual Biomass Conference & Expo in Atlanta, Georgia?

We will be there and we can't wait to see you!

Did you know our Brunette BioSizer® is a rugged high speed wastewood grinder specifically manufactured to produce a fine, consistent product ideal for the biomass industry.

Come see us at Booth #404 and let's talk! Ask us about our other products that can help you get more from your mill!
